

Test Verification of Conformity

On the basis of the referenced test report(s), sample(s) of the below product have been found to comply with the harmonized standards and Directives listed on this verification at the time the tests were carried out. Other standards and Directives may be relevant to the product.

Once all product relevant  mark directives are verified in compliance, the manufacturer may indicate compliance by signing a Declaration of Conformity themselves and applying the mark to product identical to the test sample(s) if the product complies with all relevant CE mark Directives requirements.

Applicant Name & Address:	Saunier Duval Clima, S.A. C Mendigorrithu 52, 01015 Vitoria (Alava) - Spain
Product Description:	Split type air conditioner
Ratings and Principle Characteristics:	220-240V~, 50Hz, Class I, R32, IPX4 for outdoor unit; Max power consumption: 1500W.
Models:	Vaillant: VAI8-025WN, VAI8-035WN, Saunier Duval: SDH19-025NW, SDH19-035NW, DemirDöküm: A5 Inverter 09, A5 Inverter 12
Brand name:	Vaillant, Saunier Duval, DemirDöküm
Relevant Standards/ Specifications/Directives:	EN 60335-1:2012 + A11:2014 Household and similar electrical appliances – Safety – Part 1: General requirements EN 60335-2-40: 2003 + A11:2004 + A12:2005 + A1:2006 + A2:2009 + A13:2012 Household and similar electrical appliances – Safety Part 2-40: Particular requirements for electrical heat pumps, air-conditioners and dehumidifiers EN 62233:2008 Measurement methods for electromagnetic fields of household appliances and similar apparatus with regard to human exposure
Verification Issuing Office:	Low Voltage Directive 2014/35/EU Same as Legal Entity
Date of Tests:	February 20, 2017 – May 17, 2017
Test Report Number(s):	170220034GZU-001

This verification is part of the full test report(s) and should be read in conjunction with them.

This Verification is for the exclusive use of Intertek's client and is provided pursuant to the agreement between Intertek and its Client. Intertek's responsibility and liability are limited to the terms and conditions of the agreement. Intertek assumes no liability to any party, other than to the Client in accordance with the agreement, for any loss, expense or damage occasioned by the use of this Verification. Only the Client is authorized to permit copying or distribution of this Verification. Any use of the Intertek name or one of its marks for the sale or advertisement of the tested material, product or service must first be approved in writing by Intertek. The observations and test/inspection results referenced in this Verification are relevant only to the sample tested/inspected. This Verification by itself does not imply that the material, product, or service is or has ever been under an Intertek certification program.
